## SUNDAY AFTERNOON PROGRAMMING for ADULTS

### Living Our UU Values: History & Rights of Indigenous Peoples:

Youth and adults will learn about the history and current reality of Indigenous peoples in the United States with guest speakers, films and discussion, and optional service activities during spring break 2019 in New York or on Pine Ridge Reservation, SD. Led by Tracy Breneman and Rev. Dr. Michael Tino. The schedule of topics is available on each congregation's website.

**Evolving Beliefs:** Adults will have the opportunity to explore how their beliefs have changed over the years, grounded in discussions about theology with Rev. Peggy Clarke. The schedule of topics will be available on the congregation's websites soon.

**Parents, Grandparents, Caregivers:** The parents, grandparents, caregivers group will offer the opportunity for adults to support each other through structured discussion as they bring shared values into relationships with the children and youth in their lives. The schedule of topics will be available on the congregation's websites soon.

## ADDITIONAL OPPORTUNITIES

**Our Whole Lives: Parent Series:** Our Whole Lives is a year-long curriculum for youth about relationships, sexuality, and decision-making. We offer a companion series to support parents, who are their youth's primary educators. Parents are welcome even if they do not have a youth in the OWL class. These sessions meet only in Hastings and include additional Sunday afternoons. The schedule of topics is available on each congregation's website.

**Also:** Watch the weekly newsletters from each congregation for additional opportunities for community building: weeday Minister's class in Mt. Kisco, drumming circle in Hastings, all ages game nights in both, and more! Join the weekly newsletters through the congregations' websites:
