### **The Fire of Commitment (#1028)**

From the light of days remembered burns a beacon bright and clear  
Guiding hands and hearts and spirits into faith set free from fear.

Chorus:

When the fire of commitment sets our mind and soul a blaze  
When our hunger and our passion meet to call us on our way  
When we live with deep assurance of the flame that burns within,  
Then our promise finds fulfillment and our future can begin.

From the stories of our living rings a song both brave and free,  
Calling pilgrims still to witness to the life of liberty.

Chorus

From the dreams of youthful vision comes a new, prophetic voice,  
Which demands a deeper justice built by our courageous choice.

Chorus
