EXHIBITOR: PLEASE READ THIS!

The Society is glad that you wish to display your artwork in the main meeting room of our building, where our members and friends will have an opportunity to appreciate it.

We want you to be aware, however, that for the reasons stated below, the Society cannot assume any responsibility, financial or otherwise, for loss of or damage to your property.

We regularly share the use of our building with community groups and individuals not affiliated with the Society. While this privilege is extended only to those we deem reliable and responsible, we do not monitor the activities of these persons while they are using the premises.

Please note also that we have no resident caretaker. The building is unattended much of the time.

In short, works of art are exhibited on our premises at the risk of the exhibitor. If you are willing to accept this risk, please read the bold print below, and sign, date and return this notice.
